Praise for Hacking Exposed™ Windows®, Third Edition It’s this ability to help you perform accurate risk assessment that makes Hacking Exposed Windows valuable There are few places where you can get a one-stop look at the security landscape in which Windows lives

Introduction to Information Security

A moment later, Amy looked up to see Charlie Moody, the senior manager of the server administration team, walking briskly down the hall. He was being trailed by three of his senior technicians as he made a beeline from his office to the door of the server room where the company servers were kept in a controlled environment. They all looked worried.
